AUTO TEMPERATURE DETECTOR FOR ENTRANCE FOR COVID SAFETY

ABSTRACT

COVID-19 has a huge impact on the society, the new restriction has been imposed as in the number of users allowed in a particular rooms, office, shops etc. To maintain social distancing along with social distancing regular temperature, check at the entrance of malls, the office is mandatory. Individuals with high body temperature are not to be permitted to enter public places because they are at a high risk of infection and the spreading the virus at the entrances to any city, workplaces, malls & hospitals gates temperature checks is also necessary.
