ACKNOWLEDGEMENT

We express our profound thanks to our chairman **Sri. M. SRINIVASARAO** for his support and encouragement.

I also thank **Dr. C. P. V. N. J. MOHAN RAO, Principal** for extending his outmost support and cooperation in providing all the provision for the successful completion of the project.

I wish to express our deep sense of gratitude to our **Mr. V. HARI KIRAN Associate Professor**, Head of the Department of Mechanical Engineering for their whole hearted co-operation, unfailing inspiration and valuable guidance.

We are very grateful to our guide **Mr. Y. AMAR BABU** Assistant Professor, Faculty of the Mechanical Department who spent a lot their precious time with us on our work always even though being very busy persons with academic works of the Department, for their background knowledge and patience in the competition of our project. We are very grateful to them for enlightening intellectually and spending a lot of their precious time with us even though they got a very hectic schedule. And also we extend our sincere thanks for their extreme guidance and support during the entire project. Their constant encouragement and suggestions helped us a lot.

We would also thank for providing the facilities especially **The Mechanical Heat Transfer lab** without which our project would not have been completed.

We finally thank all those who contributed directly and indirectly in successfully carrying out this project work.
