5.1 SUMMARY

The Coromandel International was set as a private ltd company on 16th October 1961, with a capital investment of Rs.50 crores. Then it was converted in to public ltd company. Coromandel Internationals Ltd, a leading manufacturer of firm imports comprising of phosphoric fertilizers and pesticides, is a constituent of the Murugappa group and is a subsidiary of EID parry (India) Limited (EIDP), which holds 69.05% of the equity of CIL. The company's vision is to be the leader in the Phosphatic fertilizers industry, producing high quality Fertilizers at low cost and giving satisfaction to all stakeholders. The mission is to enhance the prosperity of the farmers through the supply of quality farm inputs and related services to ensure value for money. Fertilizers are of immense value to mankind. They help the growth of agricultural produce. India is primarily an agricultural or an agro based country. Fertilizers are basically of two types

- Organic
- Chemical

Coromandel fertilizers ltd was established in the year 1964 at Visakhapatnam near Sri Haripuram. EXIM bank of WASHINGTON, US and industrial development bank of India provided the financial assistance to the company. The plant started its production from December 1967.

Coromandel has paid been concern towards environment and other pollution control measures.
