ALUMNI FEEDBACK ACTION TAKEN REPORT

2017-18

S.NO.	Recommendation	Action Taken
1	Topics related to VLSI testing may be included in U.G Curriculum.	Some of the VLSI Testing concepts are already there in syllabus can be strengthened based on feasibility.
2	All students should be aware of Project orientation and agile methodologies.	We have covered these topics through value added courses/ Certificate Courses.
3	Working procedures of DOPPLER RADAR can be added in the curriculum.	It is planned to conduct certificate training programmes in every semester.
