ALUMNI FEEDBACK FORM

Please provide your feedback about the skills and competencies you have developed as a result of your education at Avanthi Institute of Engineering and Technology. The purpose of this survey is to assess the quality of the academic program.

Name V. Ramu

Name of working organization TCS

Position in organization Graduate Trainee

Year of graduation 2018

Department ECE

Directions: You are requested to give a number in the box provided against each item as per the following scale: Good-3 Satisfactory-2 Poor-1

S.No.	Parameter	Rating
1	Rate your ability to create, select and apply appropriate techniques, resources and modern Engineering tools obtained through your curriculum design.	3
2	Design of each course pattern and components of syllabus framed	3
3	Courses in the program are appropriate in moulding the student into professional and ethical way.	3
4	Course designed to reduce the gap between industry and Academia	3
5	Rate your ability in applying Engineering and Management principles as a member and leader in a team, to manage projects in multidisciplinary environments?	3
6	Rate the overall quality of curriculum and syllabi	3

Please suggest the following based on your work experience.		
1	Any additional course required.	Doppler Radar.
2	Any additional tool required.	-
Suggestions: Working Procedures of Doppler Radar has to be added.

ALUMNI FEEDBACK FORM

Please provide your feedback about the skills and competencies you have developed as a result of your education at Avanthi Institute of Engineering and Technology. The purpose of this survey is to assess the quality of the academic program.

Name D. Sravani
Name of working organization Yes
Position in organization Software Engineer
Year of graduation 2015
Department Ece

Directions: You are requested to give a number in the box provided against each item as per the following scale: Good-3 Satisfactory-2 Poor-1

S.No.	Parameter	Rating
1	Rate your ability to create, select and apply appropriate techniques, resources and modern Engineering tools obtained through your curriculum design.	3
2	Design of each course pattern and components of syllabus framed	3
3	Courses in the program are appropriate in moulding the student into professional and ethical way.	3
4	Course designed to reduce the gap between industry and Academia	3
5	Rate your ability in applying Engineering and Management principles as a member and leader in a team, to manage projects in multidisciplinary environments?	2
6	Rate the overall quality of curriculum and syllabi	3

Please suggest the following based on your work experience.

1	Any additional course required.	Advanced programming in Java
2	Any additional tool required.	Anacorda / Netbeans

Suggestions:

Students should be aware of project orientation and agile methodologies.

ALUMNI FEEDBACK FORM

Please provide your feedback about the skills and competencies you have developed as a result of education at Avanathi Institute of Engineering and Technology. The purpose of this survey is to assess the quality of the academic program.

Name M. Ganesh
Name of working organization Qualcom
Position in organization Vlsi Design Engineer
Year of graduation 2013
Department ECE

Directions: You are requested to give a number in the box provided against each item as per the following scale: Good-3 Satisfactory-2 Poor-1

S.No.	Parameter	Rating
1	Rate your ability to create, select and apply appropriate techniques, resources and modern Engineering tools obtained through your curriculum design.	3
2	Design of each course pattern and components of syllabus framed	2
3	Courses in the program are appropriate in moulding the student into professional and ethical way.	3
4	Course designed to reduce the gap between industry and Academia	3
5	Rate your ability in applying Engineering and Management principles as a member and leader in a team, to manage projects in multidisciplinary environments?	2
6	Rate the overall quality of curriculum and syllabi	3

Please suggest the following based on your work experience.

1	Any additional course required.	VLSI TESTING.
2	Any additional tool required.	TESTING TOOL

Suggestions:

Concepts of VLSI Testing has to be added to curriculum.
