16th June 2018.

ANTI-TOBACCO AWARENESS PROGRAMME

The NSS Unit of Avanathi Institute of Engineering and Technology awareness programme on 16th of June, 2018. The vital subject of the event was to focus on "ANTI TOBACCO" which witnessed participation of around 40-45 NSS volunteers. The event began with Principal Dr.C.Mohan Rao explained all the facts of consuming tobacco and how it slowly drags the smoker onto the tracks of death. The statistics shown to everybody regarding death figures caused due to tobacco consumption left everyone awestruck. Students became well aware about the tobacco monster and made up their mind to stay miles away from it. The event concluded with students taking pledge with their fists raised up. The pledge pointed out assurance from students that they won't consume tobacco in any form such as cigarettes, bidis or gutkas, etc and would also encourage others not to do so. 152 students, faculty and office staff participated in this pogramme.
