Lets work together and explore opportunities

In the concept of collaborative growth and constant up-gradation with the latest technology. Further, this vision has given a platform to the company to emerge as India's one of the leading and successful manufacturer among the plywood industry. Since its inception in 1992, the company has been a trend setter and attained significant benchmarks in various products of this segment. It's also very true, that Magnus brand (among the top 3 brands in India in both quality & availability) had given a new dimension to the plywood industry in developing a new market in every region.

The company's in-house Research & Development team also ensures a high rate of consistency in developing new and quality products. We have been accredited with Certifications like ISO 9001:2008, RDSO, FSC, IGBC & ISO: 14001:2004. All products are rigorously checked and approved by various top and prestigious institutes such as BIS, ICAT, CIRT, ARAI, IPIRTI and F.R.I. Moreover, we are also following IICL and European Standards to develop our products.

Being an ISO 9001 & 14001 certified, the company focuses more on the technical know-how and building new improved products.

Magnus Plywood is the flagship brand of Shri Ram Panels, with the manufacturing unit in Khanna, Punjab, company has its operations and network throughout the country-ranging from interiors to buildings/ construction to transportation.

Since our establishment, our dedicated workforce has been working hard to strengthen and enhance all aspects related to customer satisfaction. Today, Magnus's standards represent some of the industry's best practices, and we seize every opportunity to learn from the collective successes and shortcomings, and thereby raise the bar on quality and customer experience.

From new & innovative approaches, to investments in brand, channel enhancement and local talent development, we focus directly and constructively on programs designed to enhance and enrich the lives of our employees while continuing to serve millions of our customers.

We believe it is important to be as open and frank as possible, share information about what we are doing, what is going well and what we need to do better. We have been working hard to build a culture based on time tested values because there is so much to learn from them. Our ultimate goal is to use all the knowledge and wisdom to look for better ways to reach out and stay connected with the customers we serve.
