DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

DATE: 25-8-2021

STUDENT FEEDBACK ACTION TAKEN REPORT
FOR THE ACADEMIC YEAR-2020-2021

| S.No | Observation | Action taken |
|------|---|---|
| 1 | Students suggested starting some tutorial classes focusing on overall Personality Development and Stress Management. | Tutorials aiming at Personality Development and Stress Management for students were planned. |
| 2 | Provide training on personality and professional development be provided to enhance employability skills. Online resources be provided for core and skill-based courses | It is recommended to Training and Placement Cell(TPC) to organize online guest lecture series / workshops for enhancing personality and employability skills for seeking jobs also suggested to facilitate telephonic / online interviews for fresher's |
| 3 | Students also wanted frequent career counselling sessions so that they have more knowledge about their post collegiate professional options | These concerns have been shared with the relevant authority for consideration and appropriate action. The Placement Cell and Departments are encouraged to conduct counselling sessions, talks, and seminars for students to have greater clarity on their career options. The Placement Cell was also advised to be more responsive to students' need and make students more aware about activities they organise for their placements through several mediums |
| 4 | Students requested to provide more industrial internships to get the knowledge | Internships were fructified for students with corporate big wigs to develop their Practical skills, workplace experience and greater knowledge of that industry. |
