STUDENT FEEDBACK ACTION TAKEN REPORT

2018-19

S.NO.	Observation	Action Taken
1	Advanced concepts of Doppler Radar has to be known to students	Organised a guest lecture on working procedures of Doppler Radar System.
2	Exposure to latest developments and advances should be known to the students.	During the technical Fest/ Event Industry Experts were invited to share their Knowledge to our faculty and students. This helped them to interact with the resource persons and was motivated to do higher studies and take up jobs which has challenging future ahead.
3	Addition of latest software related subjects in syllabus towards campus placement.	As our institute is affiliated by JNTUK we are unable to add subject in curriculum. So, we planned to cover latest technologies through value added courses/ Certificate Courses.
