## Summary Report

In the part of NSS activities, a 1-Day "AWARENESS ON BUSINESS DEVELOPMENT SKILLS FOR WOMEN" campaign was organized by MBA DEPARTMENT of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAPARAPALLEM. Department of MBA organized awareness programme on business development skills for women entrepreneurs in rural areas at Center for Humanitarian Assistance Trust, Kotaurtla. On the occasion of AWARENESS ON BUSINESS DEVELOPMENT SKILLS FOR WOMEN campaign inaugurated the Program, Mr. T.Gopi MBA HOD, and Department faculty AIET were also present. The IST MBA AND IIND MBA students and local village people total 120 are participated.

**Mr. T.Gopi MBA HOD, Address The Village Members For Importance Of BUSINESS DEVELOPMENT SKILLS FOR WOMEN** The increasing presence of women as entrepreneurs has led to significant business and economic growth in the country. Women-owned business enterprises are playing a prominent role in society by generating employment opportunities in the country, bringing in demographic shifts and inspiring the next generation of women founders.

With a vision to promote the sustainable development of women entrepreneurs for balanced growth in the country, Startup India is committed towards strengthening women entrepreneurship in India through initiatives, schemes, creation of enabling

networks and communities and activating partnerships among diverse stakeholders in the startup ecosystem.

programmes under Craftsmen Training Scheme (CTS) and Craft Instructors' Training Scheme (CITS) in several areas such as Office Management, Electronics, Fashion Design & Technology, Computer Aided Embroidery & Designing etc. We are also seeing active participation from women in new age job roles aligned to Industry 4.0 like those in Artificial Intelligence, 3D printing, Data Analytics etc. and also across in skills like welding, automobile mechanics etc.

While women dominate sectors such as Apparel, Beauty & Wellness and Healthcare, there is significant presence in non-traditional roles such as those in Electronics and Hardware, with a large number of female enrolments (1.03 lakh) under the Field Technician - Computing and Peripherals job role in this sector. Skill India has partnered with Government Initiatives like Ayushman Bharat, Swachh Bharat Mission, Smart City Mission etc. to align skill development efforts to these national missions by ensuring a steady flow of skilled workforce. These programs are also generating lakhs of jobs, particularly for women by creation of job roles like caregiver, midwives, nurses, diabetes educators etc.

## Summary Report

In the part of NSS activities, a 1-Day "CONSTITUTION DAY" campaign was organized by NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAPARAPALLEM at seminar hall, Block-A, AIET on 26-11-23.

On the occasion of CONSTITUTION DAY campaign Dr.C.P.V.N.J. MOHAN RAO, Principal, AIET inaugurated the CONSTITUTION DAY program. Dr. Srinivasa Rao BS&H, NSS coordinator Mr. B. Ganesh, Mr. T.Gopi and NCC Coordinator Dr. Hari Kiran, AIET were also present. The ECE-1, ECE-2,EEE & MECHANICAL students total 225volunteers are participated

**Dr.C.P.V.N.J. MOHARN RAO, Principal, address the students for importance of Constitution Day** he Constituent Assembly adopted the Constitution of India on November 26, 1949; it replaced the Government of India Act 1935 after independence and declared it the country's fundamental governing document. The Union of India officially became the contemporary Republic of India in correspondence with it. The Constitution of India declares our nation as a democratic republic and assures equality, liberty, and fraternity. The adoption of the Indian Constitution has played a very important role in establishing India as a sovereign, secular,

**Mr. Chandra Babu ,Member of chamber, Narisipatnam address the students for importance of constitution day:** The decision to have written rights, a list of rights, a declaration of rights in the constitution marked a sharp break with British constitutional tradition and practice because of their colonial experience.

When read collectively, the Preamble, Fundamental Rights, and Directive Principles make it obvious that the constitution aspired to create the circumstances for the development of an equal society with safe individual liberties.

## Summary Report

In the part of NSS activities, a 1-Day "EDUYOUTH MEET" campaign was organized by NSS and NCC at Play Ground at Main Gate of GITAM DEMED UNIVERSITY, RUSHI KONDA, VISAKHAPATNAM on 31-01-24.

On the occasion of EDUYOUTH MEET campaign Sri Sri GURUDEV SIVA SANKAR is chief guest of honour and Dr.Sribharat Mathukumilli, Director, Gitam university, Different Engineering College from Visakhapatnam District along with AIET were also present. Our college students are The CSE,CSM, CSD, ECE-1, ECE-2, EEE & MECHANICAL students total 225 volunteers are participated

**Dr.SribharatMathukumilli, Director, Gitam university, address the students for importance of Drug Free** Drug abuse has become the most common thing these days and many youth are destroying their lives by getting addicted to drugs. It's very important to sensitize our youth on the subject of drug abuse. They are ruining the lives of our youth and putting their future in a great darkness. The use of drugs is making their lives vulnerable and prone to destruction. Therefore, it becomes very important to raise awareness about it amongst our youth and prevent them from succumbing to it. The **International Day against Drug Abuse and Illicit Trafficking**.

Drugs, as we all know, are an illegal matter which some people drink, smoke, inject or eat for the mental as well as physical effects that it leaves. There are several students who consume drugs out of fun or for various other reasons. People who deal in the selling of drugs create a network and mainly target students in order to make them addicted to drugs. Initially, the drugs are sold to the students for free and gradually when they get addicted to it, they start buying and consuming it.

fact, the students also eventually become a part of their network and start dealing in it.

**Gurudev Sri Sri Siva Shakar address the youth** It is observed that students start consuming drugs out of stress or unfair expectations of their teachers as well as parents. Lack of emotional support and disorder in their families make them vulnerable and increase their dependency on drugs. They use it in order to calm down their state of mental agitation. Other than this, it is poverty that compels some students to become a part of the selling and dealing network of drugs and derive their pocket money. Therefore, it becomes like a vicious circle of the drug addicted students from which they seem to find no escape unless the society comes for their rescue.

**Dr.C.P.V.N.J. MOHARN RAO, Principal, address the students for importance of** World environment day is a day especially celebrated to know and solve all the environmental issues. It is also known as the Environment Day, Eco Day or WED. It is a great annual event focusing on the issues of environment and trying to solve them completely. It is being celebrated for years worldwide with lots of creative activities and enthusiasm to bring positive changes in the environment. It aims to protect the natural environment forever on the earth for the healthy possibility of life.

Mr. Murali Mohan ,Circle Inspector ,, and Miss Sunitha, is very important day in our life. It is the day when we get aware of issues related to our environment and pledge to keep it safe for our better future. We should take care of our environment all through the life. It can be done only when we will keep our eyes open and be active to bring some positive changes within ourselves and environment. We should make our kids and children aware about this issue so that they can be the active agents of this campaign in future. The condition of our healthy environment is getting declined day by day just because of the industrialization, deforestation, technological development, global warming, pollution, etc. It affects the health of living beings and environment very badly.

### **Day 1 : Swachta Cleaning activity in the institute premises**

The Ministry of Youth Affairs and Sports (MoYAS), Govt. of India & the Directorate of NSS Gol, New Delhi has directed to conduct the prestigious Programme Swachhta Hi Seva(SHS) to be organized as a part of NSS activities, NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM on 21-09-23.

On the occasion of programme, Dr. C.P.V.N.J. Mohan Rao, Principal, AIET inaugurated the programme . This programme is conducted by Mr. B. Ganesh NSS coordinator Mr. T.Gopi M.B.A and Mr. T. Siva P.D, Mr.Daniel Raju , AO, AIET.

Clean and green environment imply **absence of pollution and a better quality of life**. Green on the other hand has a direct link to promoting good health. Literally a green environment means abundance of trees and greenery. Trees are instrumental in purifying air by absorbing the dangerous gases and giving out Oxygen.

### **Day 2: Single use Plastic awareness programme**

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Taken Single-use plastics are a glaring example of the problems with throwaway culture. Instead of investing in quality goods that will last, we often prioritize convenience over durability and consideration of long-term impacts. Our reliance on these plastics means we are accumulating waste at a staggering rate. We produce 300 million tons of plastic each year worldwide, half of which is for single-use items. That's nearly equivalent to the weight of the entire human population.

Reducing plastic use is the most effective means of avoiding this waste (and the impacts linked to plastic production and use). Carrying reusable bags and bottles is one great way to avoid single-use plastics in our day-to-day lives; more on preventing plastic waste can be found below in our campus on 22-09-23 .

On the occasion of programme, Dr. C.P.V.N.J. Mohan Rao, Principal, AIET inaugurated the programme . This programme is conducted by Mr. B. Ganesh NSS coordinator Mr. T.Gopi M.B.A and Mr. T. Siva P.D, Mr.Daniel Raju , AO, AIET.

### **Day 3 : Cleaning drives in Traditional water bodies and coastal cleaning activity association with NGOs**

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM collect the saplings of indigenous trees as part of Vasudha Vandana-creation of Amrit Vatika from Narisipatnam forest zone on 23-09-23 .

#### **Day 4: Social Media awareness on keeping the premises clean**

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, Keeping the surroundings neat and clean is necessary to live a healthy life and also to stay away from diseases. All religions in the world teach us about cleanliness. Moreover scientifically it has been proven that people living in the dirty areas catch diseases easily. So there is a need to create awareness among people regarding the benefits of cleanliness. They need to be educated about why cleanliness is important and what are its benefits. The best way to do that is by running an effective cleanliness awareness campaigns frequently.

Slogans can be used in these campaigns because they are known to be the best tool to capture people's attention and also they remain in the minds of people for a long time. Our team has gathered a list of 20+ slogans on cleanliness for these campaigns. These can be used on banners, posters, t-shirts etc. These slogans will motivate people to keep their house, surroundings, city etc. neat and clean.

#### **Day 5: Swachhta cleaning activity**

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Volunteers and clean and green environment is a basic need of the society today. The environmental pollution in the form of air, water, and land pollution, has severely affected life. The air quality is unbreathable, water non-potable and the land contaminated, leading to many diseases. So, for better survival, the pollution must be tackled and reversed. A healthy life is possible only if the basic necessity of cleanliness of air and land is achieved. Clean and green environment imply absence of pollution and a better quality of life.

Green on the other hand has a direct link to promoting good health. Literally a green environment means abundance of trees and greenery. Trees are instrumental in purifying air by absorbing the dangerous gases and giving out Oxygen. Also greenery has a soothing and pacifying effect on people. The natural ecosystem heavily depends on trees and plants on supporting the smaller insects, animals and birds for shelter and food.

#### **Day 6: Swachhta Pledge taking event**

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Swachh Bharat Abhiyan has become a 'Jan Andolan' receiving tremendous support from the people. Citizens too have turned out in large numbers and pledged for a neat and cleaner India. Taking the broom to sweep the streets, cleaning up the garbage, focussing on sanitation and maintaining a hygienic environment have become a practice after the launch of the Swachh Bharat Abhiyan. People have started to take part and are helping spread the message of 'Cleanliness is next to Godliness.'

### **Day 7: Swachhta cleaning at makavarapallem**

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Swachh Bharat Abhiyan as a part of NSS activities, NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM on 9-08-23.

Clean and green environment imply **absence of pollution and a better quality of life**. Green on the other hand has a direct link to promoting good health. Literally a green environment means abundance of trees and greenery. Trees are instrumental in purifying air by absorbing the dangerous gases and giving out Oxygen.

## Day 2: Single use Plastic awareness programme

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Taken Single-use plastics are a glaring example of the problems with throwaway culture. Instead of investing in quality goods that will last, we often prioritize convenience over durability and consideration of long-term impacts. Our reliance on these plastics means we are accumulating waste at a staggering rate. We produce 300 million tons of plastic each year worldwide, half of which is for single-use items. That's nearly equivalent to the weight of the entire human population.

Reducing plastic use is the most effective means of avoiding this waste (and the impacts linked to plastic production and use). Carrying reusable bags and bottles is one great way to avoid single-use plastics in our day-to-day lives; more on preventing plastic waste can be found below in our campus on 22-09-23 .

On the occasion of programme, Dr. C.P.V.N.J. Mohan Rao, Principal, AIET inaugurated the programme . This programme is conducted by Mr. B. Ganesh NSS coordinator Mr. T.Gopi M.B.A and Mr. T. Siva P.D, Mr.Daniel Raju , AO, AIET.

#### Day 4: Social Media awareness on keeping the premises clean

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, Keeping the surroundings neat and clean is necessary to live a healthy life and also to stay away from diseases. All religions in the world teach us about cleanliness. Moreover scientifically it has been proven that people living in the dirty areas catch diseases easily. So there is a need to create awareness among people regarding the benefits of cleanliness. They need to be educated about why cleanliness is important and what are its benefits. The best way to do that is by running an effective cleanliness awareness campaigns frequently. Slogans can be used in these campaigns because they are known to be the best tool to capture people's attention and also they remain in the minds of people for a long time. Our team has gathered a list of 20+ slogans on cleanliness for these campaigns. These can be used on banners, posters, t-shirts etc. These slogans will motivate people to keep their house, surroundings, city etc. neat and clean on 25.09.24.

### Day 5: Swachhta cleaning activity

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Volunteers and **clean and green environment is a basic need of the society today. The environmental pollution in the form of air, water, and land pollution, has severely affected life. The air quality is unbreathable, water non-potable and the land contaminated, leading to many diseases. So, for better survival, the pollution must be tackled and reversed. A healthy life is possible only if the basic necessity of cleanliness of air and land is achieved. Clean and green environment imply absence of pollution and a better quality of life.**

**Green on the other hand has a direct link to promoting good health. Literally a green environment means abundance of trees and greenery. Trees are instrumental in purifying air by absorbing the dangerous gases and giving out Oxygen. Also greenery has a soothing and pacifying effect on people. The natural ecosystem heavily depends on trees and plants on supporting the smaller insects, animals and birds for shelter and food.**

### Day 6: Swachhta Pledge taking event

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Swachh Bharat Abhiyan has become a 'Jan Andolan' receiving tremendous support from the people. Citizens too have turned out in large numbers and pledged for a neat and cleaner India. Taking the broom to sweep the streets, cleaning up the garbage, focussing on sanitation and maintaining a hygienic environment have become a practice after the launch of the Swachh Bharat Abhiyan. People have started to take part and are helping spread the message of 'Cleanliness is next to Godliness.'

## Summary Report

In the part of NSS activities, a 1-Day "TREE PLANTATION" campaign was organized by NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAPARAPALLE at seminar hall, Block-A, AIET 31-08-23.

On the occasion of "TREE PLANTATION" campaign Dr.C.P.V.N.J. MOHAN RAO, Principal, AIET inaugurated the CONSTITUTION DAY Program. Dr. Srinivasa Rao BS&H, NSS coordinator Mr. B. Ganesh, Mr. T.Gopi and NCC Coordinator Dr. Hari Kiran, AIET were also present. The ECE-1, ECE-2, EEE&MECHANICAL students total 225 volunteers are participated.

**Dr.C.P.V.N.J. MOHARN RAO, Principal, address the students for importance of Tree plantation:** The greatest gift to life on Earth is trees. The idea that trees behave as carbon sinks by storing carbon dioxide in their roots, woods, and leaves has already been discussed, but I want to emphasise it. This carbon is not as abundant in our climate, which has the potential to destroy it. A tree can generate wind.

When the weather is chilly and windy, the trees planted around the edge operate as windbreakers. The roots of the trees protect the soil, while their leaves break the force of the wind and lessen the effect of rain on the ground.

As a result, trees deal with soil erosion, capture rainwater, and monitor stormwater flow and sediment accumulation. In the end, I want to say that trees are excellent for people and that they are the natural guardians of people. They feed us, and our lives are sustained.

**Dr.R Prasada RAO,VicePrincipal, address the students for importance of Tree plantation:**, The activity of planting trees is referred to as afforestation or reforestation in silviculture. In this technique, seedlings are planted in areas where the forest has suffered damage from a fire, disease, harvesting, or other human activities. As a result of the alarming rate at which pollution is growing, numerous nations are developing various measures to combat the problem.
