

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY Tamaram, Makavarapalem, Visakhapatnam

7.1.7: The Institution has disabled-friendly, barrier free environment

Avanthi Institute of Engineering and technology provides barrier-free environment where people with disabilities can move about safely and freely and use the facilities within the built environment. The environment supports the independent functioning of individuals so that they can participate without assistance in everyday activities within the campus. Buildings / places / transportation systems are made barrier free.

RAMP: Ramp-Rails, an inclined plane, are built in addition to staircases in the Main Block. The ramps are carefully designed as per specifications to be used by the differently abled people.
