Tamararam, Makavarapalem, Narsipatnam(R.D), Visakhapatnam Dist-531113

Cleaning drives in Traditional water bodies and coastal cleaning activity association with NGOs:

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM collect the saplings of indigenous trees as part of Vasudha Vandana-creation of Amrit Vatika from Narisipatnam forest zone on 23-09-23 .

Swachhta cleaning activity:

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Volunteers and clean and green environment is a basic need of the society today. The environmental pollution in the form of air, water, and land pollution, has severely affected life. The air quality is unbreathable, water non-potable and the land contaminated, leading to many diseases. So, for better survival, the pollution must be tackled and reversed. A healthy life is possible only if the basic necessity of cleanliness of air and land is achieved. Clean and green environment imply absence of pollution and a better quality of life.

Green on the other hand has a direct link to promoting good health. Literally a green environment means abundance of trees and greenery. Trees are instrumental in purifying air by absorbing the dangerous gases and giving out Oxygen. Also greenery has a soothing and pacifying effect on people. The natural ecosystem heavily depends on trees and plants on supporting the smaller insects, animals and birds for shelter and food.

Swachhta Pledge taking event :

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Swach Bharat Abhiyan has become a 'Jan Andolan' receiving tremendous support from the people. Citizens too have turned out in large numbers and pledged for a neat and cleaner India. Taking the broom to sweep the streets, cleaning up the garbage, focusing on sanitation and maintaining a hygienic environment have become a practice after the launch of the Swach Bharat Abhiyan. People have started to take part and are helping spread the message of 'Cleanliness is next to Godliness.'

Swachhta cleaning at adopted village and school :

NSS Unit of AVANTHI INSTITUE OFENGINEERING &TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Swachh Bharat Abhiyan as a part of NSS activities, NSS Unit of AVANTHI INSTITUE OF ENGINEERING &TECHNOLOGY, TAMARAM, MAKAVARAPALLEM on 9-08-23.

On the occasion of programme, Dr. C.P.V.N.J. Mohan Rao, Principal, AIETinaugurated the programme . This programme is conducted by Mr. B. Ganesh NSS coordinator Mr. T.Gopi M.B.A and Mr. T. Siva P.D, Mr.Daniel Raju , AO, AIET.

Single use Plastic awareness programme :

NSS Unit of AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY, TAMARAM, MAKAVARAPALLEM Taken Single-use plastics are a glaring example of the problems with throwaway culture. Instead of investing in quality goods that will last, we often prioritize convenience over durability and consideration of long-term impacts. Our reliance on these plastics means we are accumulating waste at a staggering rate. We produce 300 million tons of plastic each year worldwide, half of which is for single-use items. That's nearly equivalent to the weight of the entire human population.

Reducing plastic use is the most effective means of avoiding this waste (and the impacts linked to plastic production and use). Carrying reusable bags and bottles is one great way to avoid single-use plastics in our day-to-day lives; more on preventing plastic waste can be found below in our campus on 22-09-23 .

On the occasion of programme, Dr. C.P.V.N.J. Mohan Rao, Principal, AIET inaugurated the programme . This programme is conducted by Mr. B. Ganesh NSS coordinator Mr. T.Gopi M.B.A and Mr. T. Siva P.D, Mr.Daniel Raju , AO, AIET.
