File Description:

Avanthi Institute of Engineering and Technology has a strong ethical work culture that is based on inclusivity. It observes highest ethical standards in all its activities. Equal opportunities are provided to all individuals irrespective of gender, race, caste, colour, creed, language, religion, political or other opinion, national or social origin, property, birth or other status. Its unique work culture, healthy traditions and ethos have led to enrolment of the employees as per the roaster.

Safety, security and well-being, along with gender equity and friendly working atmosphere are the issues of prime concern to Avanthi Institute of Engineering and Technology.

Gender sensitivity is an inherent value in the cultural ethos of the institute and its neighboring community, as is evident by the following facilities

Annual Gender Sensitization Action Plan:

Avanthi Institute of Engineering and Technology, through its proactive faculty, staff and student programs, will annually look into the following for creating a centre for women's empowerment and gender equality:

- Promoting communication with respect for human dignity and social responsibility.
- Allow the recognition of multi-dimensional representations of women and men.
- Promote communications that represent unbiased representations of gender equity.
- Providing Safety and security for the girl students within and outside the campus.
- Conducting regular awareness-raising activities among students and staff.
- The faculty members promote working together, fair representations for leadership roles, facilitate impartial participation, gender balance in team projects, when possible, promote students meeting with faculty, having open and closed sessions with faculty members of the appropriate gender for related scenarios, complaints and counseling during class hours.
- Prioritizing the leadership qualities for the girl students by encouraging them to take initiatives and also striving for the well-being of the adolescent girls.
- Promoting team work among the students, building self-confidence and sportive nature through extra-curricular activities.

Programs conducted by the institution for the promotion of gender equity during the year:

The concept of gender equity refers to "fairness of treatment for both women and men, according to their respective needs. This may include equal treatment or treatment that is different but which is considered equivalent in terms of rights, benefits, obligations and opportunities"

The struggle to achieve gender equality and bridge the gap between men and women is a not a long and difficult one but can be achieved through awareness programs and strict enforcement of few rules.

Women in the society are often cornered and are refrained from getting equal rights as men to health, education, decision-making and economic independence in terms of wages. Gender equality prevents violence against women and girls. It's essential for economic prosperity. Societies that value women and men as equal are safer and healthier. Building a gender equality base in regions improving and

strengthening the functions of gender-equality centers, etc. promoting gender equality by training employees and staff. In this view, AIET has organized the following programs to create awareness for the female staff and the students. Gender equity in education means that males and females have equal opportunities in terms of economic, social, cultural, and political developments.

In this regard, Avanthi Institute of Engineering and Technology has organized several programs like Mental Health Program, Health check up Camp, Women Empowerment Program, Career

Development program, Celebrations like Sankranthi Sambaralu, International Women's Day, etc. The goals of gender equity are included in all the policies, programs of this college with significant representation of women/girls. The programs were organized by inviting expert personalities from different fields and who have brought laurels in the field of academics, sports, cultural activities and several others to provide valuable thoughts and enlighten the students and staff on various topics. Further, the institute organized various competitions in the form of Presentations, Quiz, Elocution and essay writing to make students participate actively with zeal and remove their inhibitions and improve their confidence levels.

The college also provides a forum for interaction among individuals and institutions engaged in teaching, research or action. Members include academics, researchers, social workers, media persons and others. Avanti Institute of Engineering and Technology is committed towards sustainable gender development and can be witnessed through the different initiatives undertaken in the academics, co-curricular and extra-curricular activities.

Self Defense Workshop for Girls

In SELF-DEFENSE WORKSHOP FOR GIRLS It is said that 'Self-Defense is the best form of defense'. Considering the current scenario prevailing in the society, Our NSS Unit organized a 'Self-Defense Workshop' for girls, in collaboration with Makavarapalem Police. The duration of workshop is over a period of 1 day. The Principal, Dr., welcomed the awardwinning ASI Ms. Bharti Sijwali along with her team and entrusted them with the task of empowering our vivacious young students. All the girls of Classes IV-VI participated with lots of enthusiasm and verve. At the outset, the trainer, ASI Sijwali highlighted the fact that Self-Defense is more of a 'mindset' than a 'set of techniques'. The training encompassed strategies like 'How to stay calm under pressure', 'Enhance focus', 'Take constructive decisions', 'Use improvised weapons', 'Hand to hand combat' etc. He also expertly sensitized the youngsters about 'The good touch' and 'The bad touch'.

While women dominate sectors such as Apparel, Beauty & Wellness and Healthcare, there is significant presence in non-traditional roles such as those in Electronics and Hardware, with a large number of female enrolments (1.03 lakh) under the Field Technician - Computing and Peripherals job role in this sector. Skill India has partnered with

Government Initiatives like Ayushman Bharat, Swachh Bharat Mission, Smart City Mission etc. to align skill development efforts to these national missions by ensuring a steady flow of skilled workforce. These programs are also generating lakhs of jobs, particularly for women by creation of job roles like caregiver, midwives, nurses, diabetes educators etc.
