

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, Permanently Affiliated to JNT University Kakinada,
ACCREDITED BY NACC and Recognized under 2(f) & 12(b) by UGC, New Delhi.)

Tamaram, Makavarapalem, Narsipatnam Revenue Division, Visakhapatnam Dist. - 531113

CIRCULAR

Dt. 6th Sep 2019

A Workshop on **Ethical Values and contemporary literature** for all department faculties is scheduled from 9th September 2019 Seminar hall main block. All the faculties should attend the Seminar without fail. For any further information Contact Mr. A. Suryaprakash, Assistant Professor, Mechanical Engineering Department may be consulted.

A Workshop on Ethical values and Contemporary Literature

9th Sep 2019

ORGANIZED BY

DEPT. OF MECHANICAL ENGINEERING
AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY,
MAKAVARAPALEM (V), VISAKHAPATNAM-531113

AVANTHI EDUCATIONAL SOCIETY

Avanathi Educational Society under the Leadership of Sri M. Srinivasa Rao garu as chairman was started in the Year 1991. Within a short span of its establishment, the group has made a remarkable stride in the field of education offering various courses at Under Graduate, Post Graduate, Pharmacy & Engineering levels. This milestone is achieved as the institution carved itself to impart quality and career-oriented education, countering the challenges of the modern world through planning, dedication, determination, prompt execution and with the innovative ideas of our advisory board.

Today, Avanathi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit. It is the path of glory towards the success during the last 19 years. The institution has been adjudged many times as the second-best educational institutions in the twin cities and 16th best in all over India through the impartial survey made by the renowned magazine "India Today".

AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY

AIET started in the year 1999 and offers various courses at Engineering and PG level. The college is providing with rooms, computer centre, laboratories and seminar hall with audio-visual equipment. Industry Institute interaction is conducted regularly to emphasize on the latest trends in the present market.

 Principal

Avanathi Institute of Engg. & Technology
Tamanam, Makavarapalem M.D.,

It is very near to Narsipatnam. Frequent bus facilities are available both from and to Visakhapatnam and Narsipatnam. Very safe and secure hostel facility is available for Girl students. These are the additional facilities besides excellent academic atmosphere in the college campus.

DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering department was started in the year 2005 with intake strength of 60 seats, this was increased to 120 students in 2012 and this was increased to 180 students in 2013. The department has well qualified and trained faculty members. It has well equipped laboratories and workshops and includes a CAD/CAM laboratory where students are imparted training in advanced production techniques and design and analysis of machine elements.

The department of Mechanical Engineering has been contributing its humble share of the Mechanical Engineering graduates for national needs. Several of the graduates who have passed out of this department are occupying responsible positions in various Engineering Industries like Hindustan Shipyard Limited, Renault Nissan, Varun Motors, Tata Consultancy Services, HP and IBM and holding responsible positions in the premier educational institutes in and outside India.

ABOUT SEMINAR

The teaching dissertation, as an option to the more traditional form of dissertation, makes several assumptions about the educational profession and process. To begin with, it assumes that there is some validity to the belief that teachers can profit from professional training. Curiously, the history of education in this country has been one that has insisted until recently on teacher training for all levels of education except college or university teaching. This, it seems, implies one of two things. Either the very act of engaging in post-graduate study elicits teaching abilities in students, or college and university teachers do not need to know anything about technique, about successful and

unsuccessful methods of teaching, in order to establish a learning situation with their students. Clearly, the doctoral candidate's experience as student invalidates either of the above possibilities further, it seems reasonable to acknowledge that teaching methods that work for one individual will not necessarily work for another. In short, as educators or potential educators, we must be willing to admit that teacher personality, subject matter, and teaching method work together to facilitate good teaching and learning experiences..

TOPICS TO BE COVERED

- The Moral Approach
- Course Description
- Methodology
- Evaluation and Outcome

Resource Person 1: Dr. S. N. V. Ganesh, Principal, AVEV
Session 1: 10am to 12pm

For Registration, please contact Mr. Surya Prakash Allu- 8125546997
Assistant Professor, Department of Mechanical Engineering.

Seminar on Ethical values and contemporary literature

AIET conduct a seminar on Ethical values and contemporary literature on 08/09/2019 for which around 86 number of all branches of faculty are participated. Dr. S.N.V. GANESH, Principal, Avanathi Institute of Engineering and Technology, Tagarapuvalasa was invited as the Resource Person for the seminar. In this seminar he explained. The teaching dissertation, as an option to the more traditional form of dissertation, makes several assumptions about the educational profession and process. To begin with, it assumes that there is some validity to the belief that teachers can profit from professional training. Curiously, the history of education in this country has been one that has insisted until recently on teacher training for all levels of education except college or university teaching. This, it seems, implies one of two things. Either the very act of engaging in post-graduate study elicits teaching abilities in students, or college and university teachers do not need to know anything about technique, about successful and unsuccessful methods of teaching, in order to establish a learning situation with their students. Clearly, the doctoral candidate's experience as student invalidates either of the above possibilities further, it seems reasonable to acknowledge that teaching methods that work for one individual will not necessarily work for another.
